

The Swan Inn | Hoxne

Welcome to the Swan Inn at Hoxne!

We are passionate about good food and wherever possible, use local suppliers and seasonal produce. The majority of our food is homemade, and as you will see below, we strongly believe in offering a good variety of vegetarian dishes. Our food is cooked mainly to order, so please allow a little extra time for preparation. To the best of our knowledge, all of our foods are GM free, and some dishes may contain nuts or traces of nuts. Therefore, if you have any food allergies or specific dietary requirements, please do advise us at the time of ordering.
